

# CALLING ALL CHANGEMAKERS

Are you an educator? Aspiring non-profit director? Social worker?  
Human rights activist? Then consider volunteering for  
**Yspaniola's Summer Camp Program in the Dominican Republic!**

**Yspaniola is a 501 (c) (3) non-profit that believes education can empower people and encourage civic participation.**

We provide a range of educational programs in the community of Batey Libertad, including a two-week summer camp. During the half-day camp, you will work alongside community members to lead activities such as theater, sports, art, and music. You will also experience full cultural immersion through a homestay, dance lessons, and group activities.

**"Being a leader and counselor at the Batey Libertad Summer Camp was incredible. At the end of the day, the kids and I were each other's teachers: I taught the camp activities and they showed me the meaning of community, friendship, and hope."**

**~ Joel Hilario, former volunteer**
