	Varies				2-3		
	Varies				2-3		
Total					52	Total	

∞ College policy on Breadth requires students to complete a minimum of 6 points out of the program. This is met through the required courses within the Elementary Inclusive Preservice Program.

* Consult the TC Schedule of Classes for current offerings.

§ The math methods class is not available to Preservice (non-certified) students if the course schedule says “restricted to in-service students.”

Permissions for course exemptions, substitutions, or exceptions. (Bring signed form to the Program Manager in ZB 308C as soon as your advisor approves a course.)
