					Total	40

∞ College policy on Breadth requires students to complete a minimum of 6 points out of the program. This is met through the required courses within the Elementary Inclusive Preservice Program.

\* Consult the TC Schedule of Classes for current offerings.

§ The math methods class is not available to Preservice (non-certified) students if the course schedule says “restricted to in-service students.”

† Must be taken in sequence.

**Permissions for course exemptions, substitutions, or exceptions.** (Bring signed form to the Program Manager in ZB 308C as soon as your advisor approves a course.)
